

West Linn-Wilsonville School District 3Jt
Administration Building

October 2016

Dear Parent,

Every year Immunization data is collected by the State of Oregon for each school. We are now required to make this data available to parents.

Attached is a snap shot from spring of 2016 of the number of students that were enrolled at Stafford Primary School, the number of students with Nonmedical Exemptions for one or more required vaccines and what percentage that is of the population.

A complete list of all schools in the state of Oregon can be found at:

<http://public.health.oregon.gov/PreventionWellness/VaccinesImmunization/GettingImmunized/Pages/SchResources.aspx>

How many kids at STAFFORD PRIMARY are vaccinated?*

| | DTaP/Tdap | Polio | Varicella | Measles | Mumps/Rubella | HepB | HepA† |
|-------------------------|-----------|-------|-----------|---------|---------------|------|-------|
| % Nonmedical Exemptions | 2% | 2% | 2% | 2% | 2% | 2% | 2% |
| % Vaccinated | 98% | 98% | 98% | 98% | 98% | 97% | 100% |

Number of children at the school**: **488**

Percent of children with no immunization or exemption record: **0%**

Percent of children with a medical exemption for one or more vaccine(s): **0%**

* Not all immunizations are required for all grades. These numbers may not total 100% if some children have medical exemptions, or are incomplete or in process with immunizations but do not need an exemption because they are on schedule.

There is/are also **0 child(ren) enrolled for whom immunizations are not required to be reported because their records are tracked by another site or they attend fewer than 5 days per year.

†Blanks indicate this vaccine was not required in the grades at this school, or this vaccine was required for fewer than 10 children.
